

# TRADOC Futures Center

## Leadership of Change

**Information Briefing  
Combat Vehicles Conference, 22 September 2003  
MG Mixon (presented by COL Wiseman)**

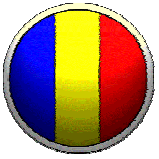

# Purpose

To provide an overview of the Training and Doctrine Command's Futures Center and describe how it will lead Future Force developments

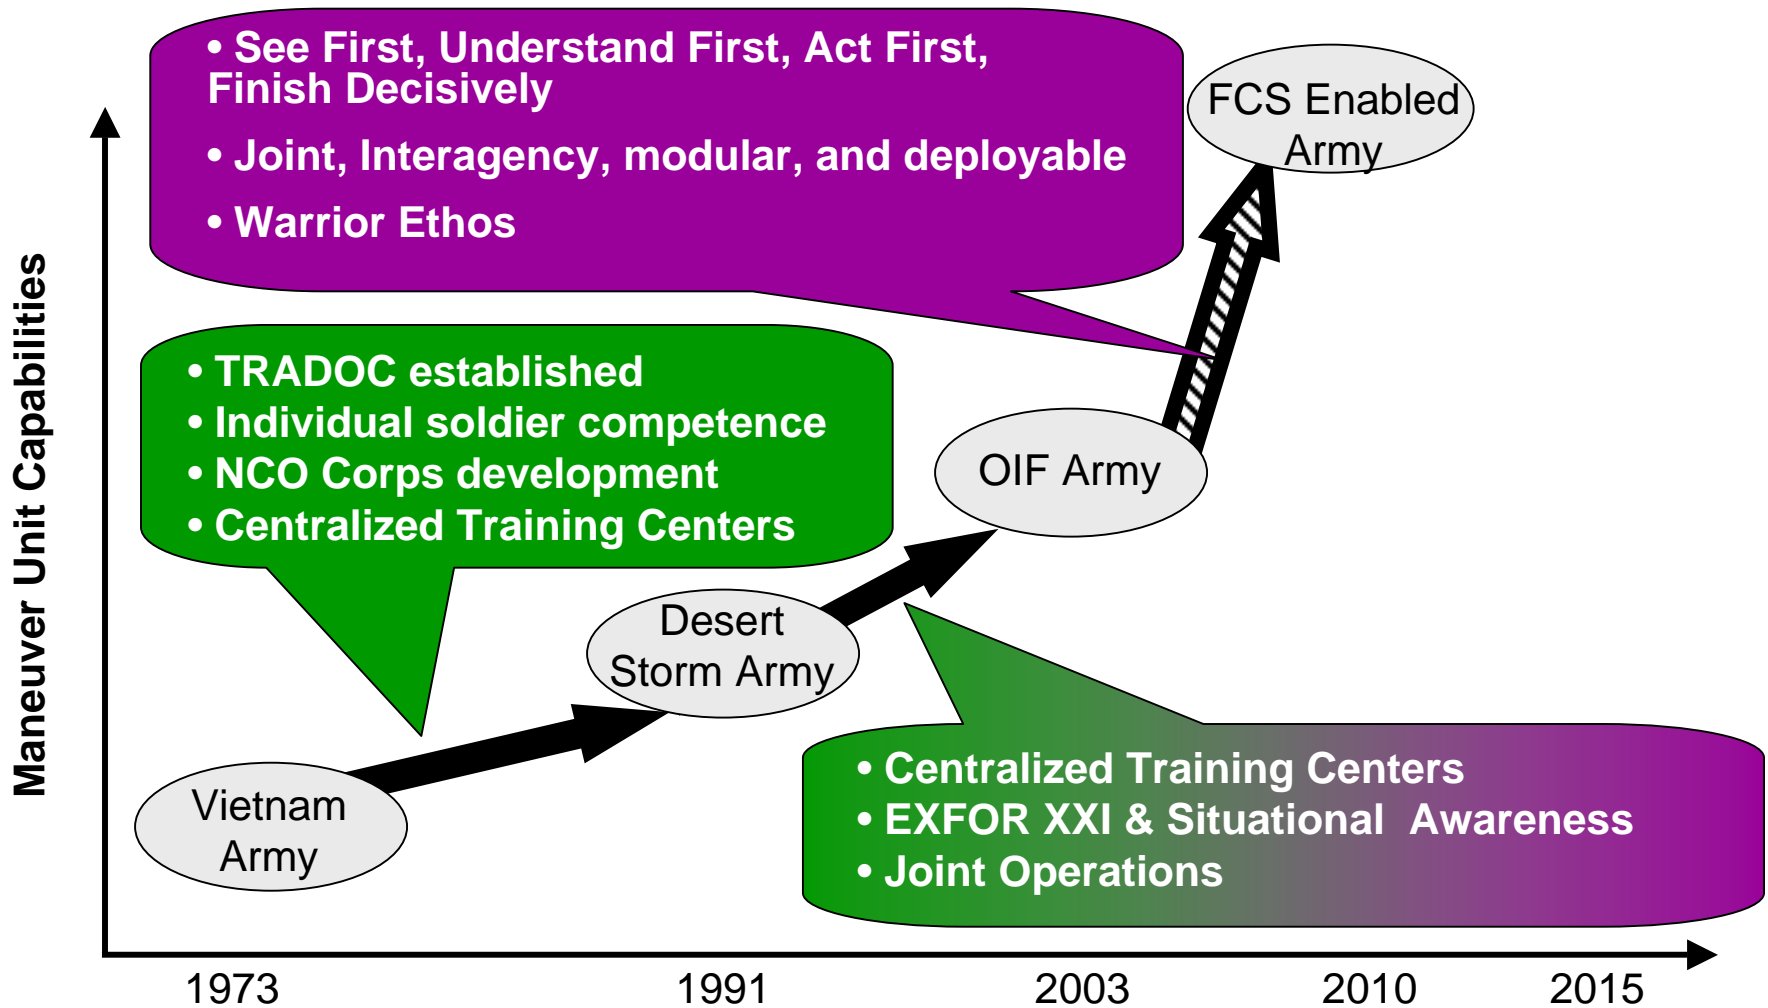

# TRADOC Mission

TRADOC recruits, trains and educates The Army's soldiers, develops leaders, supports training in units, develops doctrine, establishes standards, and **builds the future Army.**

# TRADOC -- Where Tomorrow's Victories Begin

We have transformed and are transforming!

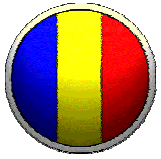

**The Army is a Learning Organization**

# Futures Center Mission

- Designs, develops, and integrates into a Joint warfighting environment all aspects of the Future Force -- from concept to capability
- Develops and integrates Joint and Army concepts, architectures, and Doctrine, Organizations, Training, Materiel, Leadership Development, Personnel and Facilities capabilities
- Validates Science and Technology priorities and leads Future Force experimentation
- Synchronizes and integrates Army capabilities with Joint, Interagency, Intergovernmental, and Multi-National capabilities

***Cultivating a Culture of Innovation for developing the Future Force***

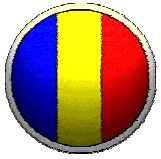

# Building the Future Force

## TRADOC is the:

- Army's Architect of the Future
- Advocate for the soldier
- Link for the Army with joint commands and sister services
- Lead for Army experimentation and shape Joint experimentation
- Army's "Future Capabilities" Visionary
- Integrator of Current Force and Future Force capabilities

***TRADOC leads The Army and The Army is leading DoD in Transformation Process***

# Army's Architect Looking to the Future

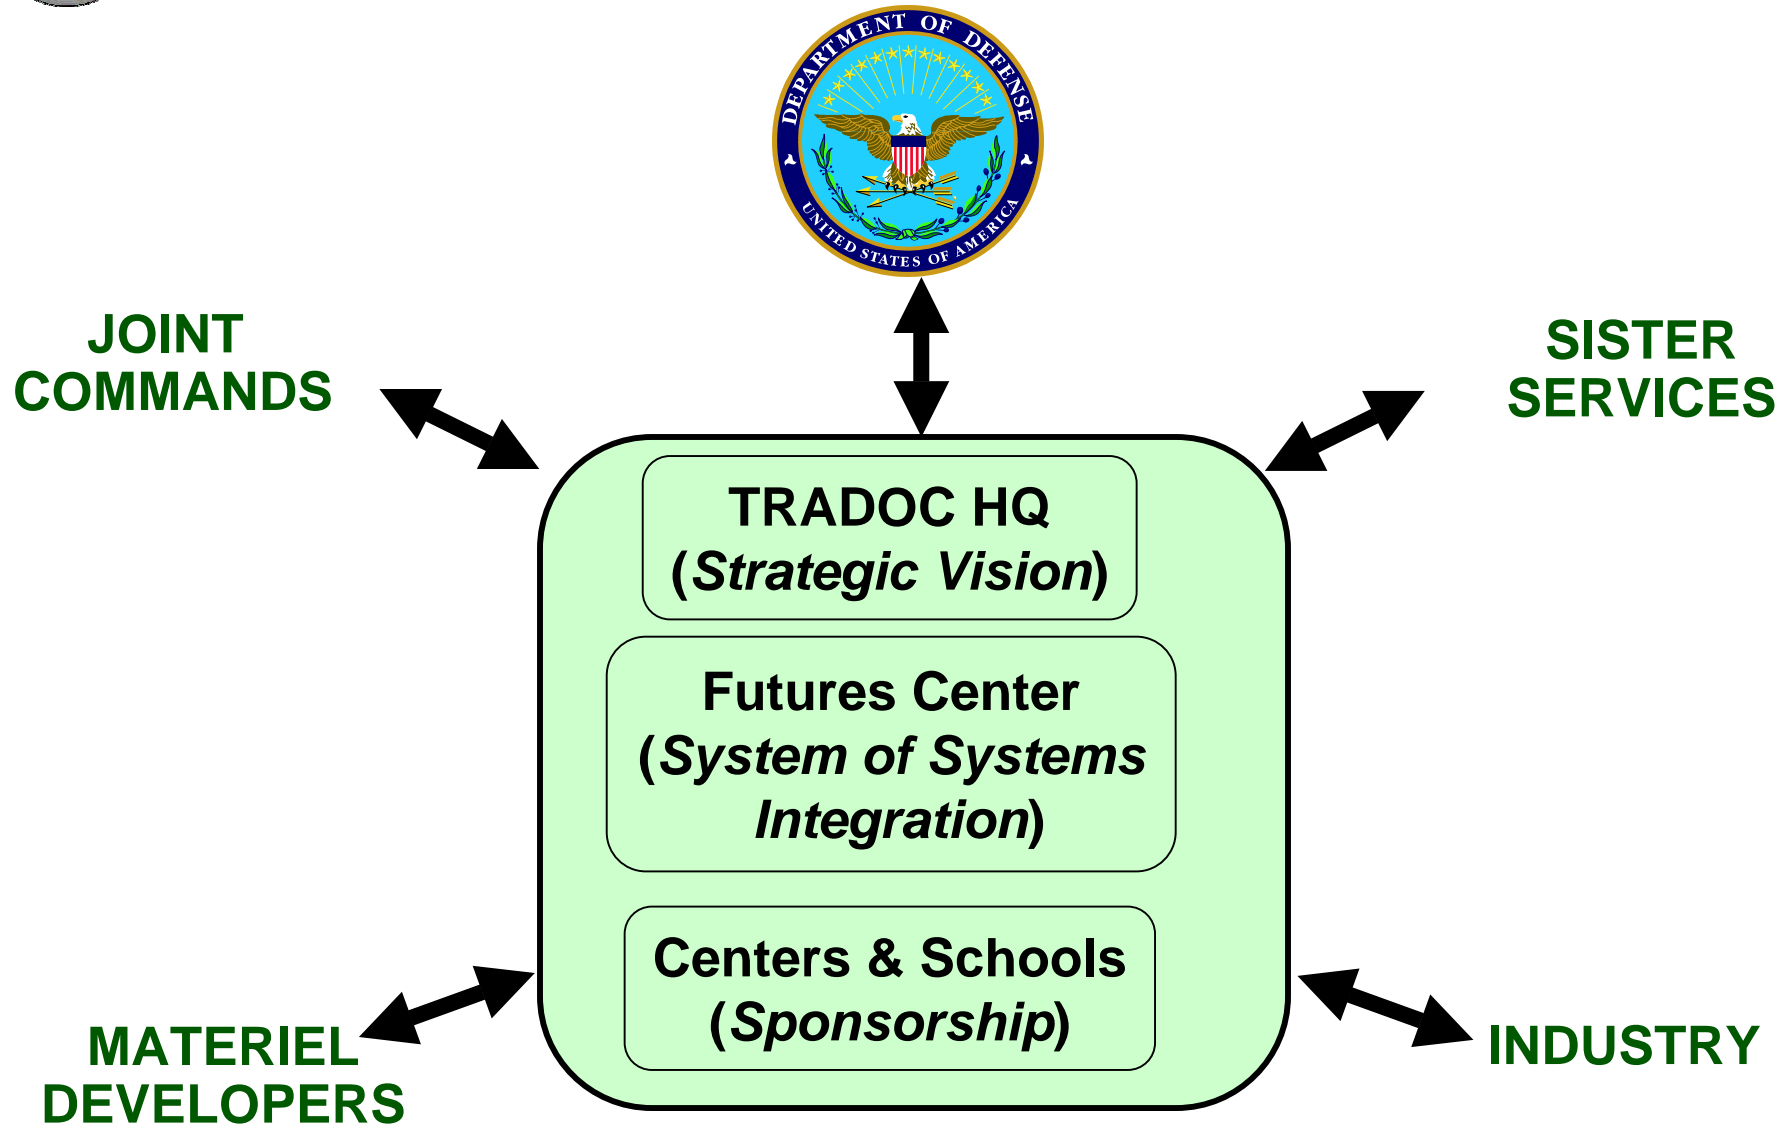

- Futures Center
- Networked, Enhanced Battle Labs
- Experimentation Element for Army's First Unit of Action
- Robust team of users embedded in Future Combat Systems program management
- Comprehensive Experimentation Campaign Plan

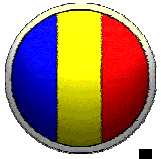

***ORGANIZING TO SUPPORT CREATING THE FUTURE FORCE***

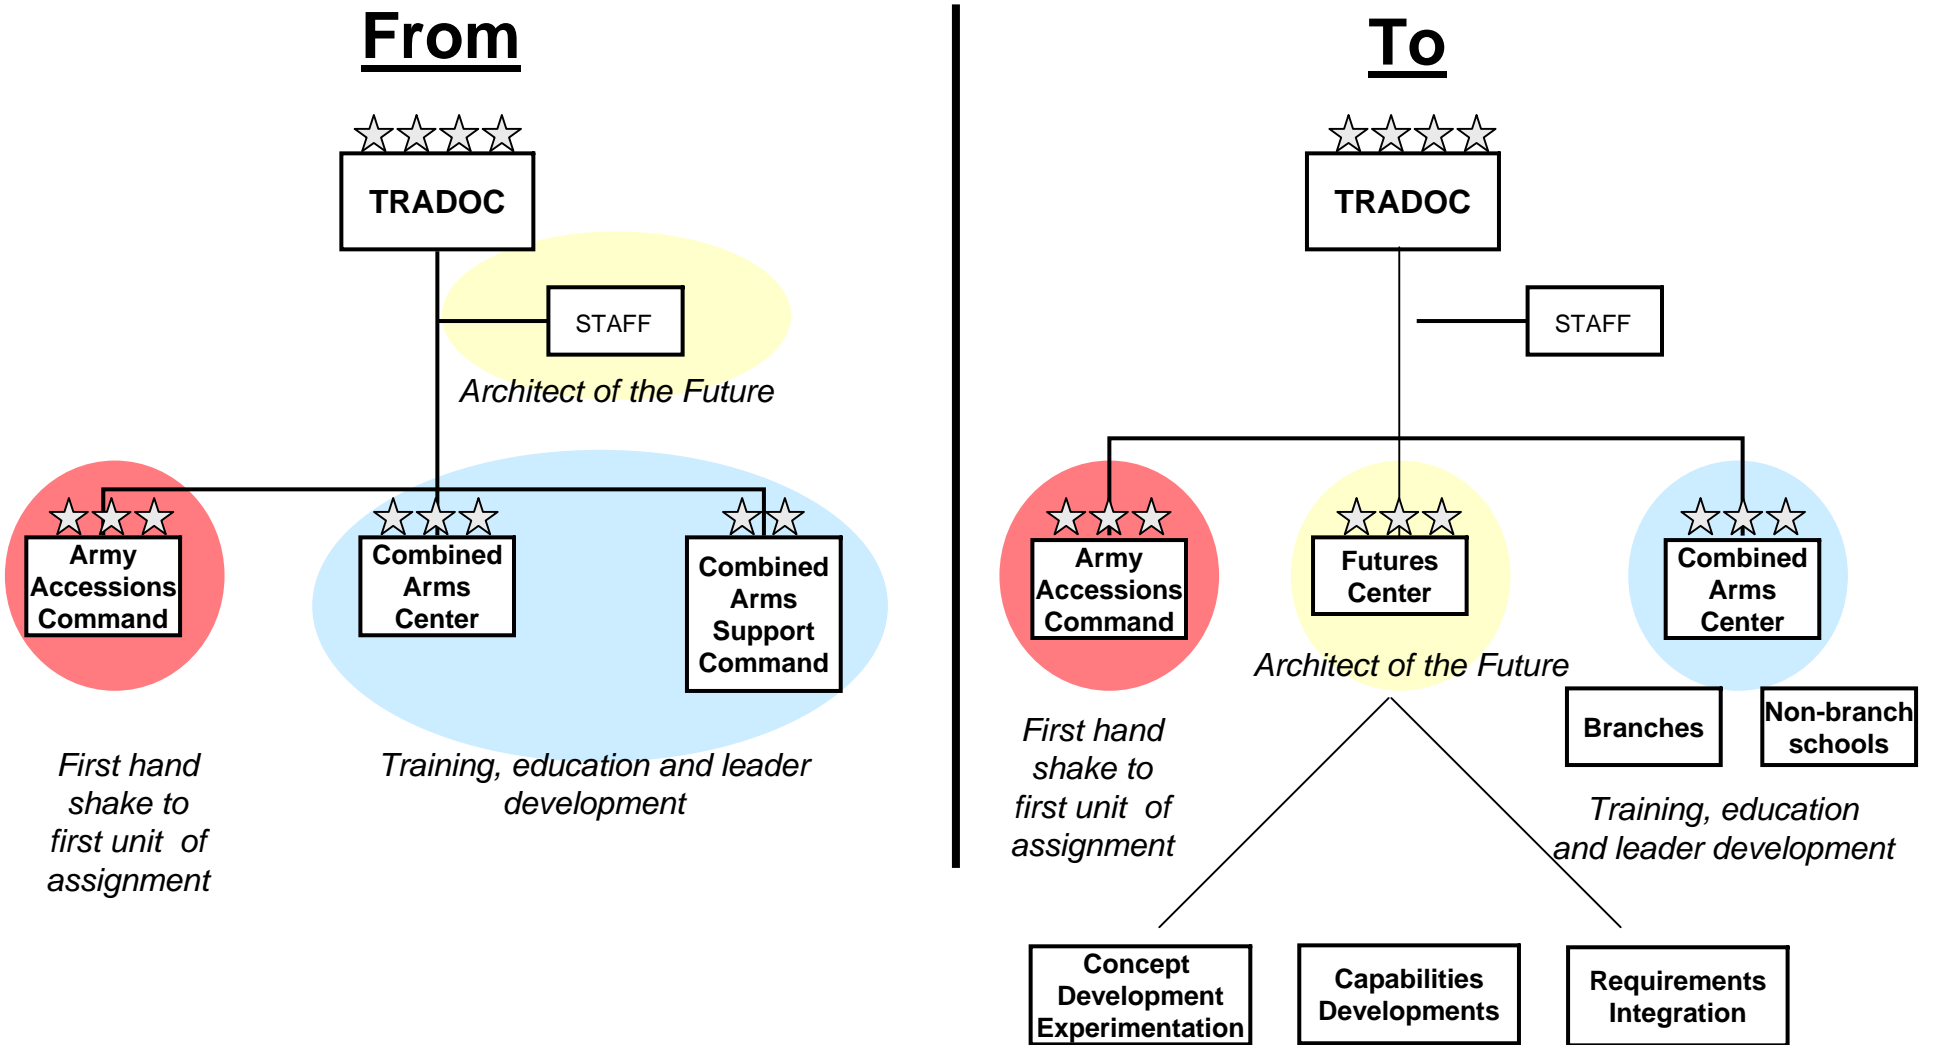

# Futures Center Functional Relationships

# TRADOC Transition to Futures Center Integrating all Future Developments Work

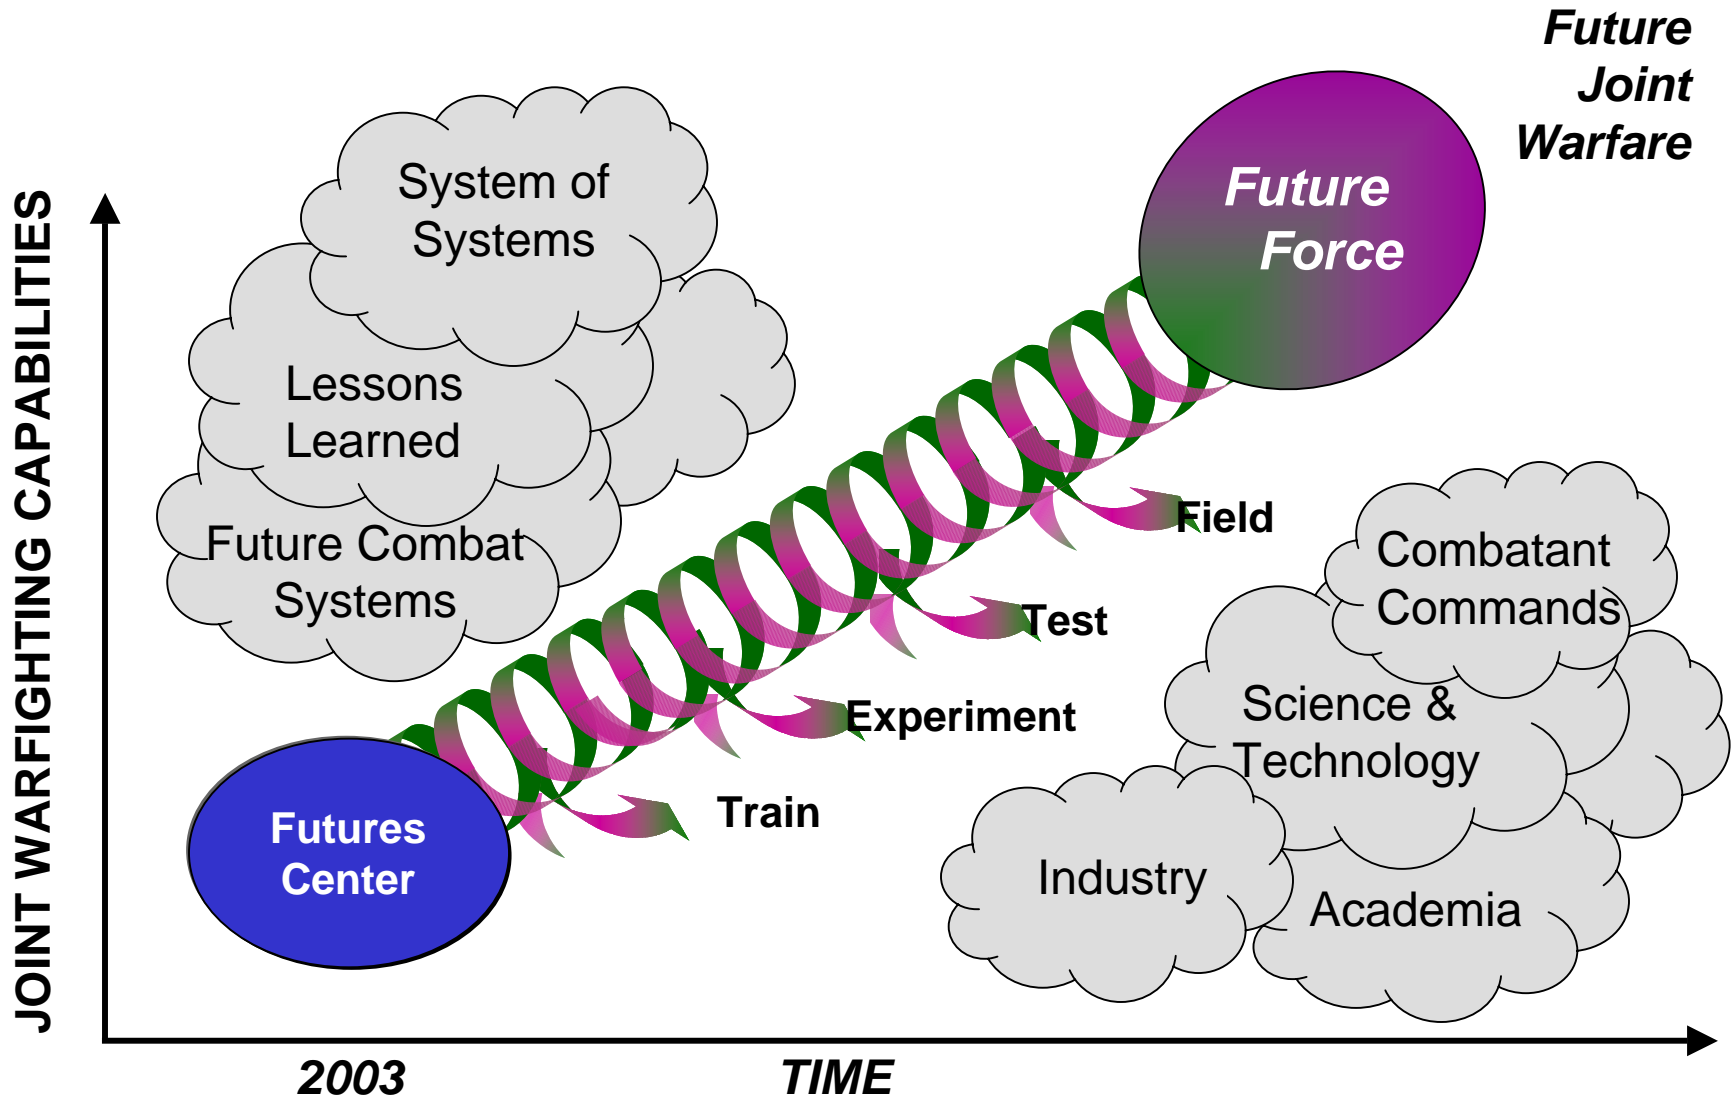

# Future Force Leadership

- ✓ Accelerate the fielding of the Future Force this decade
- ✓ Integrate and synchronize warfighting capabilities & technologies
- ✓ Provide assessments that focus senior Army leadership decision-making
- ✓ Central leadership to integrate, coordinate, motivate and drive Future Force work

**TRADOC is the Architect of the Future**

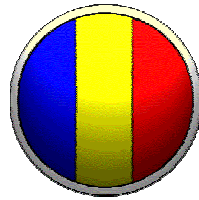

# Way Ahead

**The Army is a Learning Organization**
