

The transition of NIMIC to MSIAC

&

The 5th IM Awards

Patrick Touzé
Project Manager, NIMIC/MSIAC

From NIMIC,

NATO Insensitive Munitions Information Center...

- funded by eleven member nations (8 NATO, 2 Partners for Peace, Australia)
- provides IM-related technical consultancy services to governments, industry, and academia

...to MSIAC,

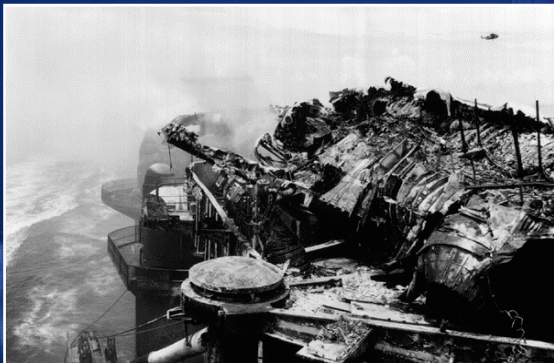

Munitions Safety Information Analysis Center...

- **Scope expands to Munitions Safety across the total life cycle of munitions**
- **Provides technical support to AC/326 (NATO CNAD Ammunition Safety Group)**
- **AC/326 - non-NIMIC nations establishing national positions for joining**
- **For questions, get in touch with staff members and see flyer**

MSIAC will continue supporting the IM Community

- **Currently about 45% IM-related activities**
- **IM Awards**

The 5th IM Awards
