*Consultant - Integrator - Educator*

# **Productivity by RFID**

NDIA RFID Seminar - 4 Nov 2005 – McLean, VA

Robert Steinberg, President  
(216)283-1020  
[rsteinberg@pbrfid.com](mailto:rsteinberg@pbrfid.com)

## Productivity by RFID

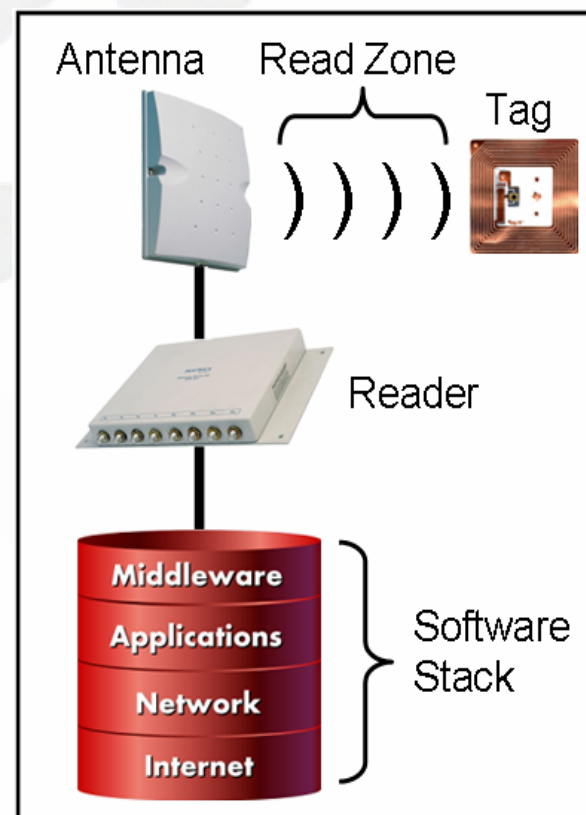

**Consultants**

**Solution Providers**

**Educators**

## Consultants

- Plan RFID strategy for compliance & productivity
- Focus
  - DoD compliance
  - Manufacturing & Industrial productivity
- Build business case, calculate ROI
- Design pilots & complete system solutions

## Solution Providers

- Pre-encoded labels and Location Lab Services
- Hardware & Software
- Stand-alone & Integrated
- Coordinate all products and services for successful deployment

<p><b>CONSULTING SERVICES</b></p> <p>Business Case Analysis</p> <p>Planning</p> <p>Site Survey</p> <p>System Design</p>	<p><b>HARDWARE</b> Passive &amp; Active</p> <p>Tags</p> <p>Chip</p> <p>Inlet</p> <p>Packaging</p> <p>Readers, Antennas</p> <p>Hand Held</p> <p>Fixed</p> <p>Printers</p>	<p><b>INTEGRATION SERVICES</b></p> <p>Project Management</p> <p>Installation</p> <p>Legacy system Integration</p> <p>Training</p> <p>Documentation</p>

## Educators

- 'Live' workshops in cities across US
  - see [www.mechanicsofrfid.com](http://www.mechanicsofrfid.com)
  - selected by NDIA to educate DoD suppliers
- eLearning; see [www.productivitybyrfid.com](http://www.productivitybyrfid.com) (7 sessions)
- A sampling of organizations we've educated:

AM General  
BearingPoint  
Booz Allen Hamilton  
Clarke Detroit Diesel-Allison  
DaimlerChrysler  
Ford Motor Company  
General Dynamics  
GE Aircraft Engines  
General Motors

Henkel Consumer Adhesives  
Hitachi  
Honda Of America  
Honeywell  
Lincoln Electric Co.  
LuK Inc.  
MeadWestvaco  
Nordson  
Parker Hannifin

Penske Logistics  
Picatinny Arsenal  
Raytheon  
Ridge Tool Company  
Rockwell Automation  
Samuel Adams Brewery  
U.S. Air Force (WPAFB)  
U.S. Army (TACOM)  
UPS

As **Educators**, today's goals are:

1. Introduce RFID:
  - Applications
  - Benefits
  - Technology (focus on 915 MHz EPC RFID)
2. Provide platform for DoD to brief RFID policy & WAWF
3. Give you a framework for RFID planning
4. Offer illustrative case histories
5. Present live demonstrations of RFID technology

## AM

Presentations

Vendor displays open at Break & Lunch

## PM

Vendor displays open at Break

## Notes

Emergency exits

Feedback form

RFID Books and Magazines
