Air Force Personnel Recovery

This Briefing is UNCLASSIFIED

Col Dennis Jones Chief, Special Operations & Personnel Recovery Division

Overview – Personnel Recovery

- Air Force "cultural" transformation in PR organization, training & education
 - Survival Evasion Resistance Escape (SERE) training & preparation
 - Commanders & Staffs organization & training
 - Future AF PR goals

AF Personnel Recovery

- Historically, AF has maintained a dedicated, superb capability to perform the rescue mission
 - Legendary combat performance in Vietnam

Integrity - Service - Excellence

AF Personnel Recovery Cultural Transformation

- The current WOT still requires these dedicated forces but also the threat of isolation to all airmen has been significantly increased
 - Airmen performing "outside the wire" activities
 - Transport
 - Security
 - Battlefield Airmen
 - Requirement to modify the traditional training and preparation to encompass the total AF force
 - Traditionally, only "high risk" personnel, such as aircrew, were trained in SERE

Cultural Transformation SERE Training & Preparation

- Total force SERE training
 - Implementation of SERE 100 course in coordination
 - All airmen will receive training during accession to AF
- SERE Training improvements to Level C courses
 - Wartime, Peacetime, Governmental, and Hostage Detention training during S-V80-A course
 - Investigating addition of combatives
 - Breakout of aircrew vs ground operator groups
- Modularity of SERE training capability
 - MTTs to teach Peacetime, Governmental, and Hostage Detention training
 - Future MTT abilities

SERE Training & Preparation ISOPREP

- Total force accomplishment of Isolated Personnel Report (ISOPREP)
- Will ensure timely information availability for all AF personnel during isolation situation anywhere on the globe
- Entry via Personnel Recovery Mission Software (PRMS)
 - Electronic entry via both NIPR & SIPR terminals
- Currently in final staffing, expected implementation CY 07

SERE Training & Preparation SERE Specialist

- SERE Specialist
 - Recent publishing of new Program Instruction for SERE Specialist career field
 - Previously only documented SERE Specialist training requirements
 - New edition now documents SERE Specialist integration into AF operations

Integrity - Service - Excellence

Cultural Transformation Commanders & Staffs

- In addition to the individual airman, AF is enhancing the organizational abilities to prepare & execute for PR
- First-ever AF policy document on PR recently published
 - Air Force Policy Document (AFPD) 10-30 Personnel Recovery published in Dec 06
 - Establishes a PR staff at each AF MAJCOM
 - Ensures establishment of policies for PR training
 - Documents establishment of global AF PR capability w/ three components
 - Dedicated PR forces
 - Commanders and staffs educated in PR
 - AF Personnel trained, prepared, and equipped for potential isolation & recovery

Cultural Transformation Commanders & Staffs

PR incorporation into formal military education

- Currently researching incorporation into Wing, Group, and Squadron commander courses
- Pursuing research for future incorporation into other company/field grade & non-commisioned officer formal courses
- Will increase fundamental understanding of PR mission and reporting requirements outside traditional CSAR community

UNCLASSIFIED

Cultural Transformation Commanders & Staffs

- Drafting first-ever AF Instruction (AFI) for PR
 - Will document processes for PR training & prep
 - Will ensure proper tracking and completion of PR prep & management

Personnel Recovery Future Goals

UNCLASSIFIED

Continued transformation of AF PR

- Continued enhancement of PR education and understanding at the individual, commander, & staff levels
 - Incorporation of isolation events in exercises
 - Implementation of necessary guidance and instructions

UNCLASSIFIED
